

Call for Delegates

The Nominations Committee is actively seeking candidates to run for the 2020-2023 Delegate cycle. The INACAC members will vote on delegates to begin the three-year at the 2020 Membership Meeting. This meeting will take place during the 2020 INACAC Annual Conference (February 24 - 26, 2020).

Serving as an INACAC delegate is an excellent opportunity to contribute to the growth of our association and to continue personal development. Although the Nominations Committee expects to present a single slate for election, the Committee's goal is to consider a number of qualified nominees through the slating process. The factors determining selection will include, but are not limited to: INACAC and NACAC experience, underrepresented areas of experience, leadership and management experience, and other professional contributions.

In order to be considered, both a nomination and a support form need to be submitted. If you are nominating someone other than yourself, please inform them you have nominated them, and ask them to complete and submit the Nomination Support Form. Please submit your nominations by **Friday, January 15, 2020**.
