

## Call for Presidential Nominations

The Nominations Committee is actively seeking candidates to run for the 2021-2024 Presidential Cycle. The INACAC members will vote on a President Elect to begin the three-year presidential cycle at the 2021 Membership Meeting. This meeting will take place during the 2021 INACAC Annual Conference (February 23, 2021). Ideally, this year's nominees should represent a secondary/high school, but all nominations are welcome.

Serving as an INACAC officer is an excellent opportunity to contribute to the growth of our association and to continue personal development. Although the Nominations Committee expects to present a single slate for election, the Committee's goal is to consider a number of qualified nominees through the slating process. The factors determining selection will include, but are not limited to: INACAC and NACAC experience, underrepresented areas of experience, leadership and management experience, and other professional contributions.

In order to be considered, both a nomination and a support form need to be submitted. If you are nominating someone other than yourself, please inform them you have nominated them, and ask them to complete and submit the Nomination Support Form. Please submit your nominations by **January 15, 2021**.
